

**SCIENCE MILL**

# CAMP May Day

Survival skills will be put to the test in this week-long island adventure! Campers will need to think outside of the box as they use their STEM knowledge to find solutions to stay alive and help them solve the global crop crisis.

## Activities

Learn basic survival skills like navigation, basic first aid, and more!

Test your logic and teamwork skills in collaborative challenges

Design a simple battery and a water filtration device

Create and code prosthetic prototypes to help an injured animal

**GRADES  
3-5**

July 7 - 11 or  
July 14 - 18th

Mission Center  
408 Avenue R  
Marble Falls,  
Texas

**FREE LUNCH**
