(At the flag pole) GOVERNMENT OFFICIALS/FIRST RESPONDERS/MILITARY

Please bless, and protect our nation, president, representatives, senators, governor, area mayors, city councils, county leaders, military, and first responders. We ask you guide officials to make decisions to best bless our communities, state, and nation. We ask for protection for this building and our campuses at all times, in every way.

(Outside Administration Building): ADMINISTRATION

Father, fill the Administration Building with Your presence. Give wisdom, understanding, and discernment for all who work here about each situation before them, whether for students, parents, staff, finances, curriculum, hiring personnel, policies, etc. Please give divine ideas in dealing with limited budgets and cause staff to receive all the information necessary for making good curriculum decisions. Especially grant great wisdom and help for our superintendent. Please provide excellent staff and cause them to see every detail necessary for every decision. We ask you keep away candidates for staff positions that would not be in the best interest of the district, school staff, students and families. Provide great discernment to rightly understand staffing, and for selecting, adjusting positions as needed. Give grace and help to for the superintendent and staff to administrate effectively. We pray you send them the best staff and teacher candidates, that would be excellent for our schools, and for great peace and joy here!

(Outside Board Room) SCHOOL BOARD

Father, because You are able, please give wisdom, understanding, and discernment to the school board. Please give them your peace and clarity to make wise decisions that would bless the district and community. Please provide a way for them to accurately see the whole of a picture, between staff, students, parents, and community so that they are able to make wise decisions. Please give an extra measure of courage, for difficult decisions, and help, humility, and grace to respond to rightly in tough conversations. Please provide wisdom, creative ideas, divine inspiration as they oversee and make decisions regarding the district. Do all these things for Your name's sake, Father. In Jesus name, Amen
