**Daily Prayer**

Heavenly Father,

Thank You for knowing our needs before we even ask and for being ever faithful in answering them. We lift up the prayer requests shared here today, trusting in Your wisdom and love.

Grant healing, comfort, and peace to those in need, and guidance in supporting one another.

Father, before we begin our work today, we humbly ask for Your blessings over our thoughts, words, and actions. Prepare our hearts for whatever may unfold and help us to walk in Your love. Guide us to carry out our duties with kindness and compassion toward others. No matter what transpires, may we always be aware of Your presence. Knowing that as long as You are here, it will indeed be a good day.

Amen.
