

Operations Report – Board Update 3/25/26

“Now to Him who is able to do immeasurably more than all we ask or imagine...” - Ephesians 3:20

Ark of Highland Lakes operates as a Christ-centered network of churches, volunteers, and community partners, responding to crisis and walking alongside neighbors toward long-term restoration. The following snapshot reflects current operations, impact, and momentum across ministries.

ARK Warehouse

Erika Navarro is our newest Warehouse staff member.

Our new voucher system is now in place and working well, helping us better track client spending and reduce confusion.

Volunteer Update

Our Ark Foundations schedule for 2026, including all currently scheduled Volunteer Orientations and Loving God. Loving People. Workshops (formerly called Discipleship Training), is updated on our website under “Ark Foundations.”

Ark Foster Care Task Force

We currently have a family halfway through the fostering process with Divinity.

Had 10 families at the Marble Falls Foster/Adopt support group this month.

Communities That Care: This event, planned for Saturday, May 9 at Hill Country Fellowship in Burnet, is an educational opportunity for those thinking about becoming foster parents or wanting to support those who do.

Valley View Village

The stage for Good Friday is being poured at the amphitheater site.

Site prep work has begun for the chapel site.

The meat processing building is waiting on trusses to be delivered this week.

Colt Foster has joined the Valley View team as Field Lead.

A.N.D.Y. Trailer

A.N.D.Y Trailer has been deployed 9 times in March.

In Bertram this month, we served 33 families, impacting 112 people.

Case Management

Two new families moved successfully into Transformational Living.

One of our single moms of two kids began a new job this month and received a new car from her YoungLives group.

Church Update

Jackie and Elyse met with local Llano stakeholders, including pastors and representatives from area churches, and the connection is already bearing fruit – Every slot for this week's scheduled A.N.D.Y visit to Llano is now covered.

Elyse also had the opportunity to present at St. John's Catholic and the Highland Lakes UMC women's group.

On the second Thursday of each month, student pastors from different churches and ministries come together to pray. This has become such a sweet time of connection, and it continues to grow unity and care for students.

Fourteen local churches will be represented at the Good Friday service.

Donor Update

\$73,000 given towards flood rebuild from Rudy's BBQ.c

One Star Foundation: \$500,000 grant awarded. (250k designated for El Centro and 250k designated for storage at Valley View.)
